

## Sue Scarbro's Childminding Consent Forms

These forms need to be completed and signed by the Parent/Carer(s) who have Parental Responsibility for the child. It is good practice to complete these alongside parent/carers to answer any questions they may have.

### GDPR Requirement for completing consent forms

In order to comply with the GDPR (General Data Protection Regulation), you **must** make all reasonable efforts to verify that each person giving consent does, in fact, hold parental responsibility for the child. This means that you will need to check the relevant documentation that shows this. Depending on the family structure it will be one or more documents from the following list:

#### Indicate which has been seen.

- Birth Certificate- biological parents/ civil partners
- Residence Order (prior to 2014) – biological father/ step parent
- Child's Arrangement Order (since 2014) – biological father/ step parent/foster parent
- Parental Responsibility Agreement--biological father/ same sex non civil partner
- Parental Responsibility Order – biological parent
- Adoption Certificate – adoptive parents (also known as an adoptive birth certificate)
- Parental Order – surrogate parent
- Special Guardianship Order – foster parents

### Consent Form Information

These consent forms help you to meet the following Safeguarding Welfare Requirements of the Statutory Framework for the Early Years Foundation Stage. Please be sure to read the following sections of the Framework before completing this form with Parent/Carer(s).

- Consent 1 & 2 - Outings, p.31 (3.65)
- Consent 3, 4, 5 & 6 - Outings, p.31 (3.66)
- Consent 7 - Premises, p.30 (3.62)
- Consent 8 – Accident or injury, p.28 (3.50)
- Consent 9 - Risk Assessment, p.31 (3.64)
- Consent 10 – Medicines, p.27 (3.45 & 3.46)
- Consent 11 & 12 - Health, p.27 (3.45 & 3.46)
- Consent 13 – Information and Records, p. 31 (3.69)

Due to the introduction of the Human Rights Act 1998, if you wish to take photographs of minded children, you will need to obtain written permission for this, stating where the photographs will be used/displayed.

Photograph consents – Child Protection, p.16 (3.4 & 3.5)

There is space on each form for consent signatures where Parent/Carer(s) can “opt out” if they wish. Once the form has been completed you must familiarise yourself with it, keep it in a confidential manner, and review it regularly with the Parent/Carer(s).

Also included in this pack is a separate form ‘Special Outing Consent Form’ for you to use for occasional separate outings that you would need to ask parents specific permission for, such as longer journeys to beaches, national museums or tourist attractions.
